Notes & Details

The HKN-BCCG50 Refrigerated Bakery Case is a versatile and efficient solution for showcasing and preserving your bakery products. With dimensions of 48 inches in width, 26 3/4 inches in depth, and 56 inches in height, this case offers ample space for your items.

Equipped with sliding glass doors, the HKN-BCCG50 provides easy access to your products while enhancing their visibility. The interior dimensions measure 45 1/16 inches in width, 22 3/8 inches in depth, and 32 3/4 inches in height, ensuring optimal storage capacity.

Operating at 115 Volts and consuming 7.4 Amps, this refrigerated case is energy-efficient and suitable for commercial use. It features energy-efficient LED lighting and a curved glass style, adding an attractive display element to your bakery.

The refrigerated case has a capacity of 10.7 cubic feet, making it ideal for storing a variety of bakery items. It uses R-290 refrigerant with a capacity of 2.8 oz. and has a temperature range of 33 to 40 Degrees Fahrenheit, ensuring your products stay fresh.

With a compressor horsepower of 3/7 HP and a freestanding installation type, the HKN-BCCG50 Refrigerated Bakery Case is a reliable and functional addition to any bakery or foodservice establishment.
