Notes & Details

Gas Stock Pot Range - Single.

Introducing our Dual Ring Cast Iron Burner, a culinary powerhouse meticulously designed for efficiency and durability. Crafted with a heavy-duty cast iron grate and stainless steel adjustable legs, this burner ensures unwavering stability and longevity in any culinary environment.

Effortless ignition is guaranteed with the standby pilot, simplifying the cooking process. The zinc alloy knob, coated with chrome, not only adds a touch of elegance but also ensures precise control over the cooking experience.

Equipped with a convenient crumb tray at the bottom, cleaning and maintenance are made easy, allowing for hassle-free operation. Moreover, with the seamless ability to convert between natural gas and propane, versatility is always at your fingertips.

Stainless steel accents on the front and sides provide a sleek finishing touch, making this burner a stylish and functional addition to any kitchen setup. Experience culinary convenience and performance like never before with our Dual Ring Cast Iron Burner.
