Notes & Details

Two-Door Reach-In Refrigerator. This Reach-In Freezer features a stainless steel interior and exterior, with an aluminum back. It includes self-closing doors with a 90-degree stay-open feature for convenience. Additionally, there's an option for a bright white aluminum interior. Locks and keys are included for security purposes.

The electronic control system simplifies operation, allowing for easy adjustment of temperature set points and defrost frequency. It also facilitates access to the condenser coil for cleaning and service through a removable installation board.

The refrigeration system maintains food at safe temperatures between 33°F and 41°F. Preinstalled heavy-duty casters with brakes ensure mobility and stability. Furthermore, the unit comes with adjustable heavy-duty PVC-coated shelves. Optional handles and control panels are available for customization.

Dimensions: 54" x 32 1/4" x 82 1/2"

Capacity 47 cu. ft.
