NOTES & DETAILS

The Hurakan countertop gas hot plate series is built for powerful and compact commercial cooking. Available in 2, 4, 6, and 8 burner configurations, these units provide reliable open-burner performance for restaurants, cafés, catering kitchens, and foodservice operations.

Each model includes heavy-duty removable cast iron grates, stainless steel pilot, adjustable stainless steel legs, and a 3/4" gas inlet with regulator. The unit is designed for natural gas and can be converted from NG to LPG if needed.
