NOTES & DETAILS

The Hurakan HKN-XRFG60O6GB24W is a 60" commercial gas range with six open top burners, a 24" griddle, salamander, and dual ovens. It is designed for restaurants, cafés, catering operations, and professional kitchens that need open flame cooking, griddle cooking, baking, and finishing in one heavy-duty unit.

The range features six 30,000 BTU burners, two 30,000 BTU ovens, and griddle/salamander power rated at 3 × 12,000 BTU. With 276,000 total BTU, manual controls, stainless steel construction, removable cast iron grates, and natural gas setup convertible to LPG, this unit is built for demanding commercial kitchen use.
