NOTES & DETAILS

The Hurakan countertop gas griddle series is designed for high-volume commercial cooking in restaurants, cafés, food trucks, and catering kitchens. The heavy-duty 3/4" griddle plate provides a durable cooking surface for breakfast items, burgers, sandwiches, meats, vegetables, and other menu items.

Each model features powerful gas burners, manual controls, stainless steel pilot, adjustable stainless steel legs, and a stainless steel crumb tray with rounded edges for easier cleaning. The unit is designed for natural gas and can be converted from NG to LPG if needed.
